

Section 4: Career Canvas

Career Canvas - Explore Self and Aspirations (10%)

Objective:

Exploring self and aspirations using the **Career Canvas** aims to help you better understand yourself, your career values, interests, personality traits, and motivated skills. By reflecting on these aspects (VIPS), you will be better equipped to align your aspirations with your personal strengths and passions.

Instructions for completing Career Canvas Assignment:

Step 1: Career Values

- Refer to online Topic 2 – Values (in VIPS)
- List your top five '*always value*' career values.
- Reflect on how these values align with your long-term goals and desired work environment.

For further learning:

- Find out more about your work values at <https://www.myskillsfuture.gov.sg/content/portal/en/assessment/landing.html> using your SingPass for Singapore Citizens & Permanent Residents and Portal ID for Foreign Tertiary students in Singapore.
- Learn more about career values at <https://www.indeed.com/career-advice/career-development/career-values>

Step 2: Career Interests

- Refer to online Topic 2 – Interests (in VIPS)
- Complete Holland's Career Interests at MySkillsFuture
<https://www.myskillsfuture.gov.sg/content/portal/en/assessment/landing.html>
- Log-in access to MySkillsFuture:
 - For Singapore Citizens and Permanent Residents – Use your SingPass.
 - Foreign Tertiary students in Singapore – Portal ID.
 - For International students who do not have Singpass, please take the RIASEC test at <https://www.onetcenter.org/IP.html#web-based> to find out your Career Interests profile.
- If you have completed this assessment before, summarise your primary interest areas.
- Upon completing the RIASEC test, analyse the results and how these interests align with your passions and potential career path.

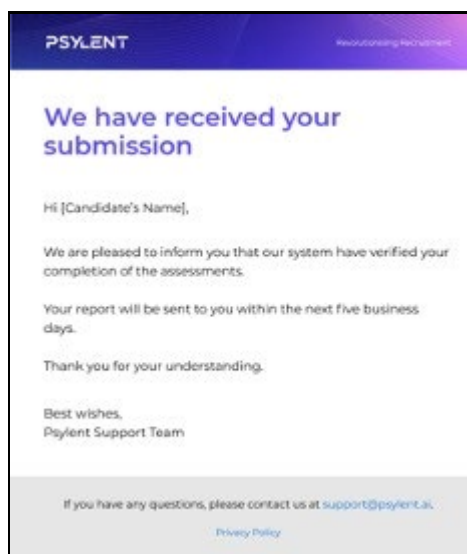

For further learning:

- Click on this to learn more about Holland's RIASEC:
<https://www.myskillsfuture.gov.sg/content/portal/en/career-resources/career-resources/education-career-personal-development/finding-the-right-career-with-the-abcs-of-riasec.html>.
- Learn more about the job roles by career interest:
<https://www.myskillsfuture.gov.sg/content/student/en/secondary/assessment/matching-job-roles.html?riasec=R,I,S>.

Step 3: Career Personalities

- Refer to Online Topic 2 – Personality (in VIPS)
- Complete the personality, in-depth interview, and cognitive ability assessments by **Psylent**.
 - <https://test.candidate.psylent.ai/apply?id=1490d94e-b885-47b4-9364-00ffb4dff163>
- a. Please register via the link listed above. You will receive an email that contains a link to start the assessment.
- b. You will get access to **4 assessments** in total – 2 COMPULSORY and 2 OPTIONAL.
 - i. 2 COMPULSORY Assessments – Measures your Personality and Work Style.
 - Personality – This assessment is designed to understand and analyse your personality profile.
 - ChatNINA – This in-depth interview is intended to get to know you better based on your personality profile.
 - These two assessments would take 30-40 mins to complete.
 - ii. 2 OPTIONAL Assessments – Measures Critical Thinking and Logical Assessments.
 - Upon completing ChatNINA, you can decide if you like to proceed with Critical Thinking and Logical Assessments. The two assessments measuring cognitive ability are optional.
 - Critical Thinking – This assessment evaluates your ability to assess evidence and identify assumptions critically.
 - Logical Reasoning – This assessment evaluates your ability to think logically and solve abstract problems.
- c. Questions that you need to prepare prior to starting the assessments: -
 - Questions about hobbies/what you do in your spare time and why you like these hobbies.
 - Questions about a specific decision that says something about who you are (Question will be in the email sent prior so you can think about this).
 - Questions about an achievement you are proud of (Question will be in the email sent prior so you can think about this).
 - Questions about how others view you and the characteristics you find important in a work environment.

- d. You will receive the report via email after you have completed the personality and ChatNINA assessments. As the vendor will send the results manually, this might not be immediate.

- e. After receiving your report, analyse how your personality type aligns with your career aspirations and strengths.
- f. Alternatively, if you did not manage to generate the report from the Psylent Personality test, you use the **Big5 personality test** and record it on the career canvas.
- g. If you experience any difficulties or if you have any questions on Psylent, please reach out to support@psylent.ai

Step 4: Skills

- Refers to online Topic 2 – Skill (in VIPS).
- Identify and list your top five motivated critical core skills.
- Reflect on how these skills contribute to your career success and future development.

For further learning:

- Suppose you are keen to know more about your skills confidence, you can evaluate your work values at <https://www.myskillsfuture.gov.sg/content/portal/en/assessment/landing.html> using your SingPass for Singapore Citizens & Permanent Residents and Portal ID for Foreign Tertiary students in Singapore.

Step 5: Synthesis – Career Canvas

- Use the Career Canvas to record your findings from Steps 1 – 4.
- Log-in access to Career Canvas:
 - Access the Career Canvas on the WITGRITFIT platform by logging in with your NTU Email account (@e.ntu.edu.sg) – <https://platform.witgritfit.com/ntu-career-canvas>.
 - Following the sections on the left panel, based on the **WITGRITFIT** framework, follow the on-screen instructions to guide you to fill out your unique Career Canvas.
 - You may click the info icon to link to more detailed quizzes or information.

A) WIT:	Your intelligence or smarts determine how well you develop specific skills. Rate yourself on the scale for each 'smart'.
B) GRIT:	Your Performance Character multiplies your efforts and skills, and nurturing these traits helps you reach your full potential and thrive in your life and career. Rate yourself on the scale for each Performance Character.
C) FIT:	Your FIT determines how well a job fits you and vice versa. Fill in your Life View and Work View, followed by your Values, Interests and Personality.
D) Skills:	Employers pay us for our skills. Rate your Critical Core Skills and fill in your Technical Skills (refer to the instructions below).
E) Practicality Check:	We make career choices based on expectations of salary, career progression and level of responsibility we aspire to have. Fill in your other personal considerations here that may have an impact on your choice of a career.
F) My Ideal Environment:	Consider the kinds of people you would prefer to work with, preferred working conditions and surroundings that would make you happy.
G) Next Steps	Create a Personal Statement by consolidate and summarise your thoughts about who you are (choose the most salient parts of who you are) and your career/life aspirations and goals. Based on what you learnt from your self-inventory, write a reflection on the insights gained about yourself and identify potential careers/career directions and what needs to be researched further.
