

Importing VP UML License Key

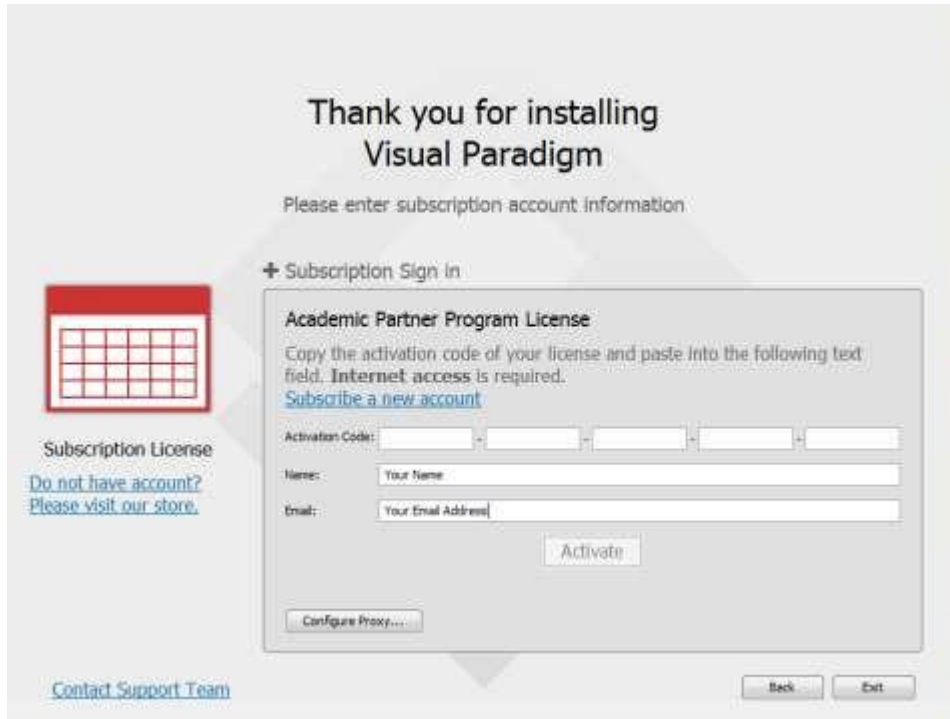

1. Download the lab version of VP UML at <http://www.visual-paradigm.com/download/>
2. After which, select “**Subscription/Academic License**”

3. You'll also need to select “**Academic Partner Program License**”

4. Once in, copy and paste the License Key found on your desktop, do include your Name and Email, click **“Activate”**.

5. Finally, copy and paste the Verification code that was emailed to you and you can start using your UML. Take note that each Verification code can only be used to activate VP UML 4 times. Subsequent activation will be disallowed.
